Notes for John Brown Family

- ¹ Davis, *Mass. & Maine Families*, 1:221. One source claims, without citing any proof, that he was born in London in 1589 of Scottish parents and that he was the John Brown, baker, aged 40, who sailed on the *Elizabeth* in 1635. [Brown, Marguerite Willette, *Genealogy of John Brown of Hampton, New Hampshire* (Amesbury, Mass., 1977), 1] John Brown was freed from military training in 1662, and this normally happened when a man turned 60, so it is likely that he was born about 1602.
- ² Brown, *Genealogy of John Brown of Hampton*, 1, claims that she was Sarah Walker, who was also on the *Elizabeth* in 1635, age 17, and that they married in 1640. There was a Sarah Walker, age 17 on the *Elizabeth*; that she became Sarah Brown is not documented.
